Use case UC01 List of curricula

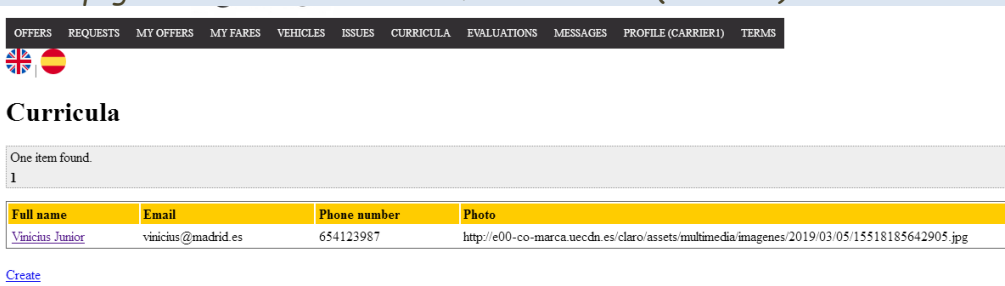

Description

Every carrier can list its curricula.

Access

By clicking in "Curricula" on the navigation bar.

Tests

Test 001	
Description	A logged carrier wants to see its curricula.
Expected	<p>A list page with the curriculums of the carrier1 (carrier1).</p> 
Outcome	Tras loguearse como carrier1(carrier1) y realizando la acción del caso de uso 1, se comprueba que funciona correctamente y realiza la acción esperada.
Notes	

Use case UC02 Display of curriculum

Description

Carriers can display its curriculums.

Access

By clicking in "Curricula" on the navigation bar and selecting one of the created curriculums clicking in the "Full name" field.

Tests

Test 001	
Description	A logged carrier wants to see one of its curriculums.
Expected	A display of the selected curriculum.

	<div> OFFERS REQUESTS MY OFFERS MY FARES VEHICLES ISSUES CURRICULA EVALUATIONS MESSAGES PROFILE (CARRIER1) TERMS </div> <div>   </div> <h2>Curriculum</h2> <p>Personal Record</p> <p>Full name: Vinicius Junior Email: vinicius@madrid.es Phone number: 654123987</p>  <p>Photo: Edit</p> <p>Professional Record</p> <div> <p>Company: Google Description: https://www.google.com Start Date: 2017-10-10 00:00:00.0 End Date: 2018-10-10 00:00:00.0 Comments: Edit</p> </div> <div> <p>Company: Zara Description: https://www.zara.com Start Date: 2016-10-10 00:00:00.0 End Date: 2018-10-10 00:00:00.0 Comments: Edit</p> </div>
Outcome	<p>Logueado con el mismo usuario del caso de uso 1 (carrier1) comprobamos que al hacer click en Nombre completo del curriculum realiza correctamente la acción y los resultados son los esperados.</p>
Notes	

Use case UC03 Management of curriculum

Description

Carrier can manage its curriculums.

Access

By clicking in "Curricula" on the navigation bar.

Tests

Test 001	
Description	A logged rookie wants to create a new curriculum, so it clicks the "Create" link at the bottom. Once inside he enters the personal data.
Expected	If the data is correct the system will redirect to the display of the new curriculum.

	<div> <div> <h2>New curriculum</h2> <p>Full name <input type="text" value="Prueba 1"/></p> <p>Email <input type="text" value="mail@gmail.com"/></p> <p>Phone number <input type="text" value="656451588"/></p> <p>Photo <input type="text" value="https://i.pinimg.com/c"/></p> <p><input type="button" value="Save"/> <input type="button" value="Cancel"/></p> </div> <div> <h3>Curriculum</h3> <p>Personal Record</p> <p>Full name: Prueba 1 Email: mail@gmail.com Phone number: 656451588</p>  <p>Photo: Edit</p> <p>Professional Record Add</p> <p>Miscellaneous Record Add</p> </div> </div>
Outcome	<p><i>Tras comprobar el mencionado caso de uso, hemos detectado que el formato del correo electrónico no lo valida correctamente.</i></p> <div> <div>Personal Record</div> <p>Full name: prueba2 Email: ssssss Phone number: +34659689547</p> </div> <p><i>Así como el campo número de teléfono tampoco sigue el patrón requerido.</i></p> <div> <div>Personal Record</div> <p>Full name: prueba Email: ssssss@gmail.com Phone number: 65968</p> </div>
Notes	

Test 002	
Description	<i>A logged carrier wants to create a new curriculum, so it clicks the "Create" link at the bottom. Once inside he enters incorrect data.</i>
Expected	<div> <div> <h2>New curriculum</h2> <p>Full name <input type="text"/> Must not be blank</p> <p>Email <input type="text"/> Must not be blank</p> <p>Phone number <input type="text"/> Must not be blank</p> <p>Photo <input type="text"/> Must not be blank</p> <p><input type="button" value="Save"/> <input type="button" value="Cancel"/></p> </div> </div>
Outcome	<i>La salida esperada se corresponde con la prueba realizada</i>
Notes	

Test 003	
Description	<i>A logged carrier wants to edit one of his curriculums, so it clicks the link in the column "Full name" to enter in its display view. Once inside the rookie clicks the edit link of the personal data.</i>

	<div> <div>Curriculum</div> <div> Personal Record Full name: Prueba 1 Email: mail@gmail.com Phone number: 656451588 </div> <div>  </div> <div> Photo: Edit </div> </div>
<p>Expected</p>	<p><i>If the data is correct, the system will redirect to the display view.</i></p> <div> <div>Curriculum</div> <div> Personal Record Full name: Edit prueba Email: mail2@gmail.com Phone number: 656412200 </div> <div>  </div> <div> Photo: Edit </div> </div> <div> <div>Edit curriculum</div> <div> Full name <input type="text" value="Edit prueba"/> Email <input type="text" value="mail2@gmail.com"/> Phone number <input type="text" value="656412200"/> Photo <input type="text" value="https://i.pinimg.com/c"/> </div> <div> <input type="button" value="Save"/> <input type="button" value="Cancel"/> <input type="button" value="Delete"/> </div> </div>
<p>Outcome</p>	<p><i>La salida esperada se corresponde con la prueba realizada</i></p>
<p>Notes</p>	

Test 004	
Description	A logged carrier wants to delete one of his curriculums, so in the edit view he clicks the delete button.
Expected	If everything is OK, the system will redirect to the list page. A confirmation is required. <div><div><div><div>Edit curriculum</div><div><div>Full name</div><div>Edit prueba</div></div><div><div>Email</div><div>mail2@gmail.com</div></div><div><div>Phone number</div><div>656412200</div></div><div><div>Photo</div><div>https://i.pinimg.com/c</div></div><div><div>Save</div><div>Cancel</div><div>Delete</div></div></div></div><div><div>Are you sure?</div><div><div>OK</div><div>Cancel</div></div></div></div>
Outcome	Como se esperaba, el usuario puede borrar correctamente un curriculum.
Notes	

Use case UC04 List of categories

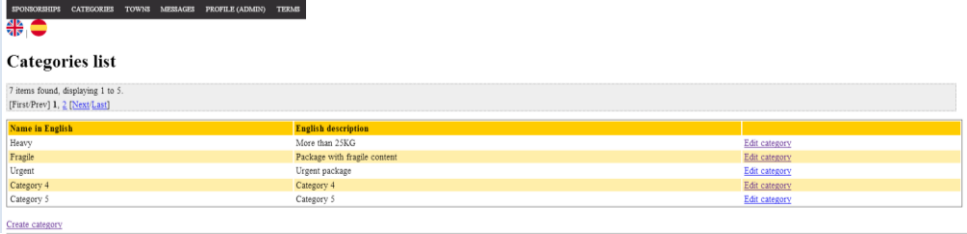

Description

Every administrator can list the catalogue of categories.

Access

By clicking in "Categories" in the navigation bar.

Tests

Test 001	
Description	A logged admin wants to see the catalogue of categories.
Expected	<p>A list page with the categories of the system (admin).</p> 
Outcome	La acción esperada funciona correctamente.
Notes	Name and description of categories are shown depending on what language is currently using.

Use case UC05 Management of categories

Description

Administrator can manage the catalogue of categories.

Access

By clicking in "Categories" in the navigation bar.

Tests

Test 001	
Description	A logged administrator wants to create a new category, so it clicks the "Create category" link at the bottom. Once inside he enters the data.
Expected	If the data is correct the system will redirect to the list of the categories of the system.

Create category

Name in English:

Name in Spanish:

English description:

Spanish description:

Categories list

8 items found, displaying 6 to 8.

[\[First/Prev\]](#) 1, 2 [\[Next/Last\]](#)

Name in English	English description	
Category 6	Category 6	Edit category
Category 7	Category 7	Edit category
Transport of animals	Can transport live animals	Edit category

[Create category](#)

Outcome

La prueba realizada funciona correctamente.

Notes

Test 002	
Description	<i>A logged administrator wants to create a new category, so it clicks the "Create" link at the bottom. Once inside he enters incorrect data.</i>
Expected	<div><h2>Create category</h2><div><div>Name in English: <input type="text"/></div><div>Name in Spanish: <input type="text"/></div><div>English description: <input type="text"/></div><div>Spanish description: <input type="text"/></div></div><div><div>Save</div><div>Cancel</div></div><div><div>Must not be blank</div><div>Must not be blank</div><div>Must not be blank</div><div>Must not be blank</div></div></div>
Outcome	<i>La prueba realizada funciona correctamente.</i>
Notes	

Test 003																				
Description	<i>A logged carrier wants to edit a category, so it clicks on "Edit Category" of category ("Name in English = Heavy")</i>																			
	<div><div>Categories list</div><div>8 items found, displaying 1 to 5. [First/Prev] 1, 2 [Next/Last]</div><table><tr><th>Name in English</th><th>English description</th><th></th></tr><tr><td>Heavy</td><td>More than 25KG</td><td>Edit category</td></tr><tr><td>Fragile</td><td>Package with fragile content</td><td>Edit category</td></tr><tr><td>Urgent</td><td>Urgent package</td><td>Edit category</td></tr><tr><td>Category 4</td><td>Category 4</td><td>Edit category</td></tr><tr><td>Category 5</td><td>Category 5</td><td>Edit category</td></tr></table></div>		Name in English	English description		Heavy	More than 25KG	Edit category	Fragile	Package with fragile content	Edit category	Urgent	Urgent package	Edit category	Category 4	Category 4	Edit category	Category 5	Category 5	Edit category
Name in English	English description																			
Heavy	More than 25KG	Edit category																		
Fragile	Package with fragile content	Edit category																		
Urgent	Urgent package	Edit category																		
Category 4	Category 4	Edit category																		
Category 5	Category 5	Edit category																		
Expected	<i>If the data is correct, the system will redirect to the catalogue of categories.</i>																			

English description:

Try to edit

Spanish description:

Prueba editar

Save

Cancel

Delete

Categories list

4 items found, displaying 1 to 5.
[First/Prev] 1, 2 [Next/Last]

Name in English	English description	
Heavy	Try to edit	Edit category
Fragile	Package with fragile content	Edit category
Urgent	Urgent package	Edit category
Category 4	Category 4	Edit category
Category 5	Category 5	Edit category

[Create category](#)

Outcome

La acción de editar una categoría funciona correctamente.

Notes

Only fields editable about a category are English description and Spanish description.

Test 004										
Description	A logged carrier wants to delete a category, the previously one, so in the edit view he clicks the delete button.									
Expected	If everything is OK, the system will redirect to the list page. A confirmation is required. <div><div><div><div>Edit category</div><div>English description: <input type="text" value="Can transport live animals"/> Spanish description: <input type="text" value="Puede transportar animales"/></div><div><input type="button" value="Save"/> <input type="button" value="Cancel"/> <input type="button" value="Delete"/></div></div><div><div>Are you sure?</div><div><input type="button" value="OK"/> <input type="button" value="Cancel"/></div></div></div></div> <div><div>Categories list</div><div>7 items found, displaying 6 to 7. [First/Prev] 1, 2 [Next/Last]</div><table><tr><th>Name in English</th><th>English description</th><th></th></tr><tr><td>Category 6</td><td>Category 6</td><td>Edit category</td></tr><tr><td>Category 7</td><td>Category 7</td><td>Edit category</td></tr></table><div>Create category</div></div>	Name in English	English description		Category 6	Category 6	Edit category	Category 7	Category 7	Edit category
Name in English	English description									
Category 6	Category 6	Edit category								
Category 7	Category 7	Edit category								
Outcome	La prueba realizada funciona correctamente y se corresponde con la salida esperada.									
Notes										

Test 005	
Description	<i>A logged carrier wants to delete a category, but the category is currently used by a package or an offer.</i>
Expected	<i>The system must display an error like the following picture.</i> <div> <h2>Edit category</h2> <div> English description: <input type="text" value="Try to edit"/> Spanish description: <input type="text" value="Prueba editar"/> </div> <div> <input type="button" value="Save"/> <input type="button" value="Cancel"/> <input type="button" value="Delete"/> </div> <p>This category is in use</p> </div>
Outcome	<i>Tras realizar la prueba también comprobamos que funciona correctamente.</i>
Notes	

Use case UC06 List of Message boxes

Description

Every actor can list its Message boxes.

Access

By clicking in "Messages" on the navigation bar.

Tests

Test 001																									
Description	A logged actor wants to see its message boxes.																								
Expected	A list page with the message boxes of the actor (admin). <div><div>List of message Boxes</div><div><div>Create a message</div><div>5 items found, displaying all items.</div><div>1</div><table><thead><tr><th>Name</th><th>List of messages in the box</th><th>System folder</th><th>Edit</th></tr></thead><tbody><tr><td>In box</td><td>List of messages in the box</td><td>Not editable</td><td></td></tr><tr><td>Out box</td><td>List of messages in the box</td><td>Not editable</td><td></td></tr><tr><td>Trash box</td><td>List of messages in the box</td><td>Not editable</td><td></td></tr><tr><td>Spam box</td><td>List of messages in the box</td><td>Not editable</td><td></td></tr><tr><td>Notification box</td><td>List of messages in the box</td><td>Not editable</td><td></td></tr></tbody></table><div>Create a Message box</div></div></div>	Name	List of messages in the box	System folder	Edit	In box	List of messages in the box	Not editable		Out box	List of messages in the box	Not editable		Trash box	List of messages in the box	Not editable		Spam box	List of messages in the box	Not editable		Notification box	List of messages in the box	Not editable	
Name	List of messages in the box	System folder	Edit																						
In box	List of messages in the box	Not editable																							
Out box	List of messages in the box	Not editable																							
Trash box	List of messages in the box	Not editable																							
Spam box	List of messages in the box	Not editable																							
Notification box	List of messages in the box	Not editable																							
Outcome	Efectivamente la lista de carpetas de mensajes son correctas.																								
Notes																									

Use case UC07 List the messages of a Message box

Description

Actors can list the messages of a message box.

Access

By clicking in "Messages" on the navigation bar and selecting one of the current message boxes clicking in the "List of messages in the box" field.

Tests

Test 001											
Description	<i>A logged actor wants to list the messages of a message box (outbox).</i>										
Expected	<i>A list of messages stored in the message box.</i>										
	Messages of the box										
	Out box										
	Create a Message box										
	One item found. 1										
	<table><tr><th>Subject</th><th>Sender</th><th>Date sent</th><th>Priority</th><th></th></tr><tr><td>Message Ad1-->CUS1/CAR1</td><td>Pepe Viyuela</td><td>20/10/2018 09:00</td><td>HIGH</td><td>View in details of message</td></tr></table>	Subject	Sender	Date sent	Priority		Message Ad1-->CUS1/CAR1	Pepe Viyuela	20/10/2018 09:00	HIGH	View in details of message
Subject	Sender	Date sent	Priority								
Message Ad1-->CUS1/CAR1	Pepe Viyuela	20/10/2018 09:00	HIGH	View in details of message							
	Back										
Outcome	<i>Tras realizar la prueba comprobamos que es correcta ya que realiza lo esperado.</i>										
Notes											

Use case UC08 Management of Message boxes

Description

A logged actor can manage its message boxes, if the message box is not a system box.

Access

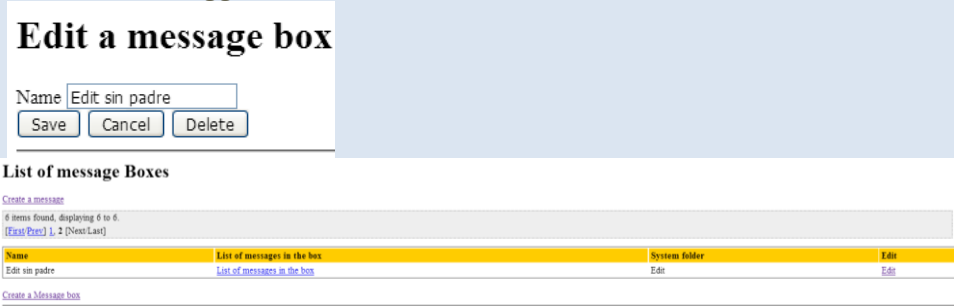

By clicking in "Message box" in the navigation bar.

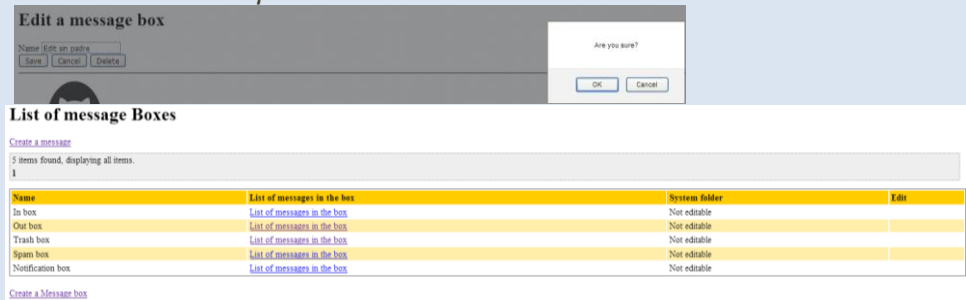

Tests

Test 001	
Description	<i>A logged actor wants to create a new message box, so it clicks the "Create a Message box" link at the bottom. Once inside he enters the data.</i>
Expected	<i>If the data is correct the system will redirect to the display of the list of message boxes.</i>  <p>The screenshot shows a web interface for creating a message box. It has a title 'Create a message box'. Below it are two input fields: 'Name' with the value 'Prueba sin padre' and 'Parent folder' with a dropdown menu showing '----'. There are 'Save' and 'Cancel' buttons. Below the form is a section titled 'List of message Boxes' with a link 'Create a message'. It shows '6 items found, displaying 6 to 6.' and a table with columns 'Name', 'List of messages in the box', 'System folder', and 'Edit'. The table contains one row with 'Prueba sin padre', a link 'List of messages in the box', 'Edit', and another 'Edit' link. At the bottom is a link 'Create a Message box'.</p>
Outcome	<i>Tras realizar la prueba comprobamos que el funcionamiento es correcto</i>
Notes	

Test 002	
Description	<i>A logged actor wants to create a message box, so it clicks the "Create a Message box" link at the bottom. Once inside he enters incorrect data.</i>
Expected	 <p>The screenshot shows the 'Create a message box' form. The 'Name' field is empty, and a red error message 'Must not be blank' is displayed next to it. The 'Parent folder' dropdown is set to '----'. There are 'Save' and 'Cancel' buttons.</p>
Outcome	<i>Comprobamos que es correcto y no se debe crear una carpeta sin un nombre.</i>
Notes	

Test 003	
----------	--

Description	<p>A logged carrier wants to edit a message box, so it clicks the link in the column "Edit" to enter in its edit view.</p> 
Expected	<p>If the data is correct, the system will redirect to the list of message boxes of the logged actor.</p> 
Outcome	<p>La prueba realizada se ha realizado correctamente</p>
Notes	<p>A system message box cannot be edited.</p>

Test 004	
Description	<p>A logged actor wants to delete one of the message boxes, , so in the edit view he clicks the delete button.</p>
Expected	<p>If everything is OK, the system will redirect to the list page. A confirmation is required.</p> 
Outcome	<p>Tras la prueba realizada comprobamos que realiza la acción correctamente.</p>
Notes	<p>A system message box cannot be deleted.</p>

Use case UC09 Display a message

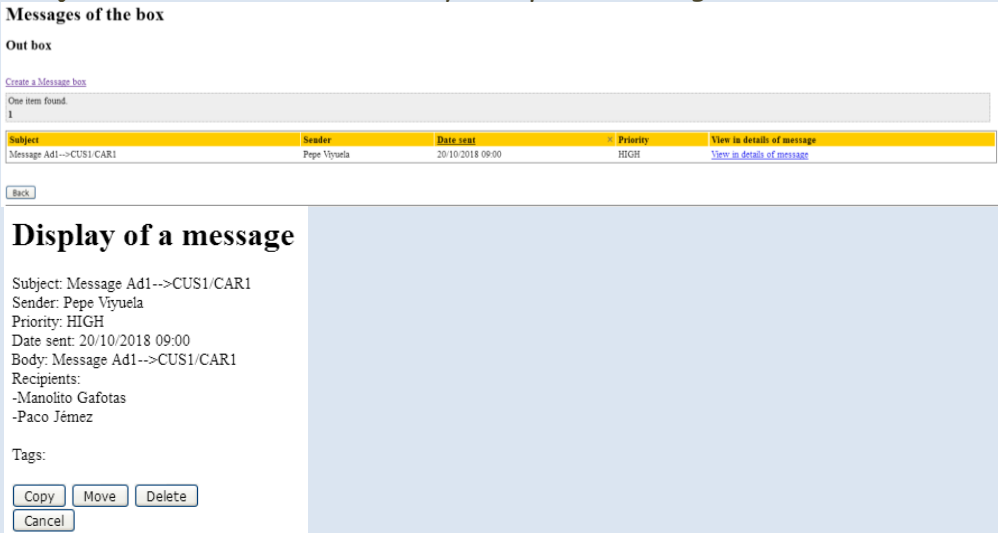

Description

Every actor can display his/her messages.

Access

By clicking in "Messages" on the navigation bar. Click on the link in the column "List of messages in the box". Then click on the link in the column "View in details of message"

Tests

Test 001	
Description	<i>A logged actor wants to see a message.</i>
Expected	<p><i>A view where shows the display of the message with the fields: 'Subject, sender, send date, body, recipient and tags'.</i></p> 
Outcome	<i>La acción correspondiente a mostrar un mensaje comprobamos que tras realizar la prueba funciona correctamente.</i>
Notes	

Use case UC10 Management of Messages

Description

A logged actor can manage its messages.

Access

By clicking in "Message box" in the navigation bar.

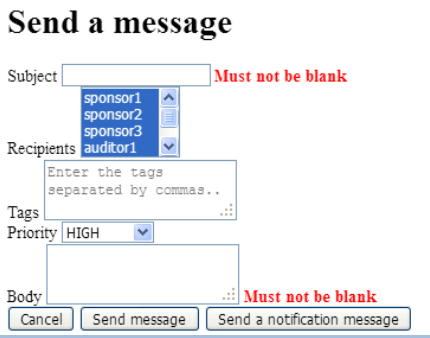

Tests

Test 001	
Description	<i>A logged actor wants to send a message, so it clicks the "Create a Message" link at the top. Once inside he enters the data. Then push button "Send message". User:(admin)</i>
Expected	<i>If the data is correct the system will redirect to the display of the sent message</i>

	<div> <div> <h3>Send a message</h3> <p>Subject: Saludos</p> <p>Recipients: auditor1</p> <p>Tags: buenas</p> <p>Priority: HIGH</p> <p>Body: De parte de admin</p> <p>Buttons: Cancel, Send message, Send a notification message</p> </div> <div> <h3>Display of a message</h3> <p>Subject: Saludos</p> <p>Sender: Pepe Viyuela</p> <p>Priority: HIGH</p> <p>Date sent: 01/06/2019 13:11</p> <p>Body: De parte de admin</p> <p>Recipients: -Amancio Ortega, -Marcelo Da Silva</p> <p>Tags: #buenas</p> <p>Buttons: Copy, Move, Delete, Cancel</p> </div> </div>
Outcome	<i>El funcionamiento del caso de uso de enviar un mensaje es correcto</i>
Notes	

Test 002	
Description	<i>A logged actor wants to send a message, so it clicks the "Create a Message" link at the top. Once inside he enters incorrect data. Then push button "Send message"</i>
Expected	<div> <div> <h3>Send a message</h3> <p>Subject: Must not be blank</p> <p>Recipients: auditor1 Cannot be null</p> <p>Tags: Enter the tags separated by commas..</p> <p>Priority: HIGH</p> <p>Body: Must not be blank</p> <p>Buttons: Cancel, Send message, Send a notification message</p> </div> </div>
Outcome	<i>Comprobamos a poner los campos vacíos y el resultado de la prueba corresponde con el detallado en la imagen.</i>
Notes	
Test 003	
Description	<i>A logged administrator wants to send a broadcast message, so it clicks the "Create a Message" link at the top. Once inside he enters correct data. Then push button "Send a notification message"</i>
Expected	<div> <div> <h3>Send a message</h3> <p>Subject: hola</p> <p>Recipients: auditor1</p> <p>Tags: broad</p> <p>Priority: HIGH</p> <p>Body: mensaje broadcast</p> <p>Buttons: Cancel, Send message, Send a notification message</p> </div> <div> <h3>Display of a message</h3> <p>Subject: hola</p> <p>Sender: Pepe Viyuela</p> <p>Priority: HIGH</p> <p>Date sent: 01/06/2019 13:24</p> <p>Body: mensaje broadcast</p> <p>Recipients: -Amancio Ortega, -Mark Zuckerberg, -Marcelo Da Silva, -Manolita Gafotos, -Susan Prez, -Paco Grid, -Juanito Loren, -Paco Jémez, -Michael Jackson, -Julio Maldonado, -Niño Bebe, -Manolito Gafotas, -Manolito Gafotas, -Bran Stark, -Arya Stark</p> <p>Tags: #broad</p> <p>Buttons: Copy, Move, Delete, Cancel</p> </div> </div>

Outcome	La prueba realizada es correcta
Notes	

Test 004	
Description	A logged administrator wants to send a broadcast message, so it clicks the "Create a Message" link at the top. Once inside he enters incorrect data. Then push button "Send a notification message"
Expected	
Outcome	Tras dejar vacíos el asunto y el cuerpo del mensaje los resultados de la prueba corresponden con lo esperado detallado en la imagen.
Notes	

Test 005	
Description	A logged actor wants to copy one of the messages, to a not-system message box, so in the display view he clicks the "copy" button. Then, shows a view to select a Message box to copy the message.
Expected	<p>If everything is OK, the system will redirect to the list page. A confirmation is required.</p> <div>  <p>Display of a message</p> <p>Subject: Message Ad1-->CUS1/CAR1 Sender: Pepe Viyuela Priority: HIGH Date sent: 20/10/2018 09:00 Body: Message Ad1-->CUS1/CAR1 Recipients: -Manolito Gafotas -Paco Jémez</p> <p>Tags:</p> <p>[Copy] [Move] [Delete] [Cancel]</p> </div> <div>  <p>Create a message box</p> <p>Name Nueva carpeta Parent folder ---- [Save] [Cancel] [Copy]</p> </div> <p>1 Create a new Message box</p> <div>  <p>Copy a message</p> <p>Destination Nueva carpeta [Copy] [Cancel]</p> </div> <p>2 Display of any message and push Copy</p> <p>3 Select the message box previously created</p>

Test 007																
Description	<p>A logged actor wants to delete one of the messages from a message box, so in the display view he clicks the "delete" button. Then, shows a view to select from which box will delete it. If the message is already in the trash box, and the source to delete the message is "Trash box", the message will be removed from every message box and the system.</p>															
Expected	<div><div><div>Display of a message</div><div>Subject: Saludos Sender: Pepe Viyuela Priority: HIGH Date sent: 01/06/2019 13:11 Body: De parte de admin Recipients: -Amancio Ortega -Marcelo Da silva Tags: #buenas</div><div><div>Copy</div><div>Move</div><div>Delete</div><div>Cancel</div></div></div><div><div>Delete a message</div><div>Containers <div>Nueva carpete</div></div><div><div>Delete</div><div>Cancel</div></div></div><div><div>1. Saludos	Pepe Viyuela	01-06-2019 13:11	HIGH	View in details of message												
Outcome	<p>Comprobamos correctamente que un mensaje se puede borrar sin problemas.</p>															
Notes																

Use case UC11 Display of Miscellaneous Records

Description

Every actor of the system can see the miscellaneous records of the curriculums of the carriers of the system.

Access

Offers > Link to the carrier of the first offer > Curricula > Link of one of the curriculums

Tests

Test 001

Description	<i>A logged or non-logged actor wants to see the miscellaneous record of one curriculum.</i>
Expected	<i>Inside the display of the curriculum the user should see its miscellaneous records, if any.</i> 
Outcome	<i>Tras realizar la prueba comprobamos que no obtenemos la salida esperada y no muestra el apartado Miscellaneous Record</i>
Notes	

Use case UC12 Manage Miscellaneous Records

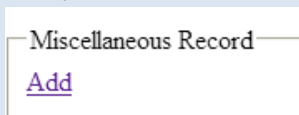

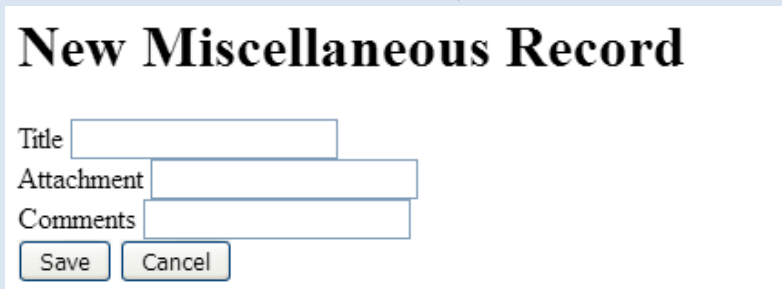

Description

Carriers can manage the miscellaneous records of his curriculums.

Access

Logged as a carrier > Curricula

Tests

Test 001	
Description	<i>A carrier wants to add a miscellaneous record to one of his curriculums.</i>
Expected	<i>Inside a created curriculum, in the miscellaneous record section it should be an "Add" link.</i>  <i>Once clicked it should show this form.</i>  <i>These are the expected errors:</i>

New Miscellaneous Record

Title **Must not be blank**
Attachment **Invalid URL**
Comments

Once the information is correct and the user clicks the save button, the page should redirect to the display page where the new miscellaneous record can be seen.

Miscellaneous Record

Title: Prueba
Attachment: <https://www.google.es>
Comments:
[Edit](#)

Outcome El Sistema se comporta como se describe

Notes

Test 002

Description A carrier wants to edit one of his miscellaneous records.

Expected Inside a created curriculum with a miscellaneous record, the user should see this:

Miscellaneous Record

Title: Prueba
Attachment: <https://www.google.es>
Comments:
[Edit](#)

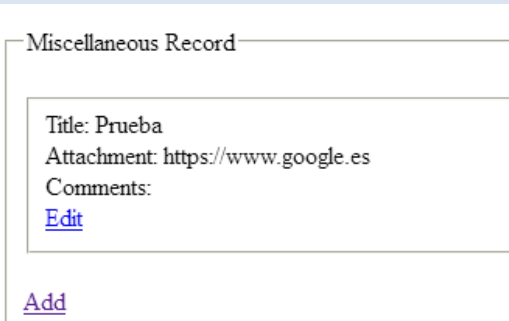

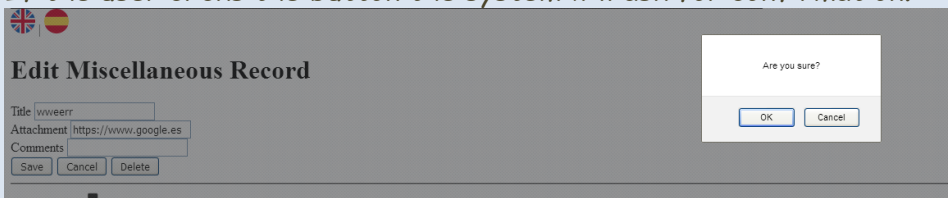

[Add](#)

The user can edit the record by clicking the "Edit" link. Once inside the edition form these are the expected errors with invalid information.

Edit Miscellaneous Record

Title **Must not be blank**
Attachment **Invalid URL**
Comments

	<i>If the information is correct, the record will be updated, and the user will be redirected to the display page of the curriculum.</i>
Outcome	<i>El Sistema se comporta como se describe</i>
Notes	

Test 003	
Description	<i>A carrier wants to delete one of his miscellaneous records.</i>
Expected	<p><i>Inside a created curriculum with a miscellaneous record, the user should see this:</i></p>  <p><i>The user can edit the record by clicking the "Edit" link. Once inside the edition form, the user should see a "Delete" button.</i></p>  <p><i>If the user clicks the button the system will ask for confirmation.</i></p>  <p><i>Once deleted the system will redirect to the display page, where the delete miscellaneous record shouldn't be found.</i></p>
Outcome	<i>El Sistema se comporta como se describe</i>
Notes	

Use case UC13 List of Offers

Description

Any user of the system can see the available offers.

Access

Offers

Outcome

El Sistema se comporta como se describe

Notes

Test 002

Description

A carrier can edit an offer.

Expected

With the offer created in the previous test and inside its display, click the "Edit" button. The system will show this:

Edit offer

Max. date to request

Vehicle

Vol: 250000.0 Weight: 3.0 Price: 5.95
Vol: 500000.0 Weight: 5.0 Price: 7.95
Vol: 750000.0 Weight: 10.0 Price: 8.95
Fares

Final mode ☐

Canceled ☐

There are new expected errors:

Edit offer

Max. date to request

Vehicle

Vol: 250000.0 Weight: 3.0 Price: 5.95
Vol: 500000.0 Weight: 5.0 Price: 7.95
Vol: 750000.0 Weight: 10.0 Price: 8.95
Fares

Final mode ☐

Canceled ☒ **The offer is not final mode**

Edit offer

Max. date to request

Vehicle

Vol: 250000.0 Weight: 3.0 Price: 5.95
Vol: 500000.0 Weight: 5.0 Price: 7.95
Vol: 750000.0 Weight: 10.0 Price: 8.95
Fares

Final mode ☒ **The offer have not traverse towns**

Canceled ☐

*Once added a traverse town we can set the offer in final mode.
Now that is in final mode the only thing we can do is to cancel it:*

	<div data-bbox="411 197 785 477"> <h3>Edit offer</h3> <p>Max. date to request <input type="text" value="12/12/2020"/></p> <p>Vehicle <input type="text" value="4561ASD"/></p> <div> Vol: 250000.0 Weight: 3.0 Price: 5.95 Vol: 500000.0 Weight: 5.0 Price: 7.95 Vol: 750000.0 Weight: 10.0 Price: 8.95 Vol: 1000000.0 Weight: 10.0 Price: 9.95 </div> <p>Fares <input type="text" value="Vol: 1000000.0 Weight: 10.0 Price: 9.95"/></p> <p>Final mode <input type="checkbox"/> The offer is in final mode</p> <p>Canceled <input type="checkbox"/></p> <p><input type="button" value="Save"/> <input type="button" value="Cancel"/></p> </div> <p>Once in final mode the "Edit" link will no longer appear.</p> <div data-bbox="411 521 938 857"> <div>Offer</div> <p>Ticker: 190601-CB0F07</p> <p>Max. date to request: 2020-12-12 00:00:00.0</p> <p>Canceled: true</p> <p>Fares</p> <p>Evaluations</p> <p>Vehicle Requests</p> <p>Final mode: true</p> <p>Score: 0.0</p> </div>
Outcome	El Sistema se comporta como se describe
Notes	

Test 003	
Description	A carrier can delete an offer.
Expected	<p>If the offer is not in final mode, it can be deleted by its carrier.</p> <div data-bbox="411 1173 880 1541"> <h3>Edit offer</h3> <p>Max. date to request <input type="text" value="12/12/2020"/></p> <p>Vehicle <input type="text" value="4561ASD"/></p> <div> Vol: 250000.0 Weight: 3.0 Price: 5.95 Vol: 500000.0 Weight: 5.0 Price: 7.95 Vol: 750000.0 Weight: 10.0 Price: 8.95 Vol: 1000000.0 Weight: 10.0 Price: 9.95 </div> <p>Fares <input type="text" value="Vol: 1000000.0 Weight: 10.0 Price: 9.95"/></p> <p>Final mode <input type="checkbox"/></p> <p>Canceled <input type="checkbox"/></p> <p><input type="button" value="Save"/> <input type="button" value="Delete"/> <input type="button" value="Cancel"/></p> </div> <p>The system will ask for confirmation.</p> <div data-bbox="402 1581 1353 1796"> <div> <h3>Edit offer</h3> <p>Max. date to request <input type="text" value="12/12/2020"/></p> <p>Vehicle <input type="text" value="4561ASD"/></p> <div> Vol: 250000.0 Weight: 3.0 Price: 5.95 Vol: 500000.0 Weight: 5.0 Price: 7.95 Vol: 750000.0 Weight: 10.0 Price: 8.95 Vol: 1000000.0 Weight: 10.0 Price: 9.95 </div> <p>Fares <input type="text" value="Vol: 1000000.0 Weight: 10.0 Price: 9.95"/></p> <p>Final mode <input type="checkbox"/></p> <p>Canceled <input type="checkbox"/></p> <p><input type="button" value="Save"/> <input type="button" value="Delete"/> <input type="button" value="Cancel"/></p> </div> <div> Are you sure? <input type="button" value="OK"/> <input type="button" value="Cancel"/> </div> </div>
Outcome	El Sistema elimina la offer
Notes	

Use case UC16 List of Packages

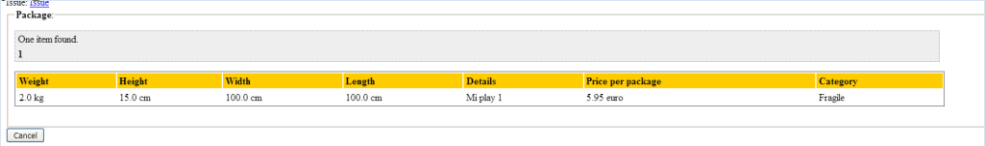

Description

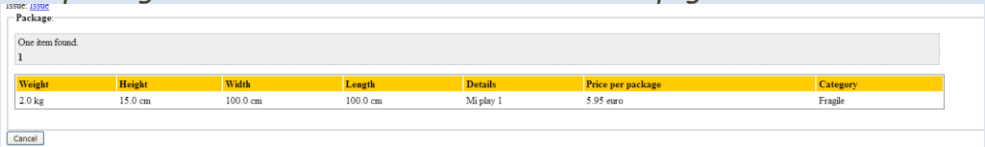

Carriers and customers can list packages.

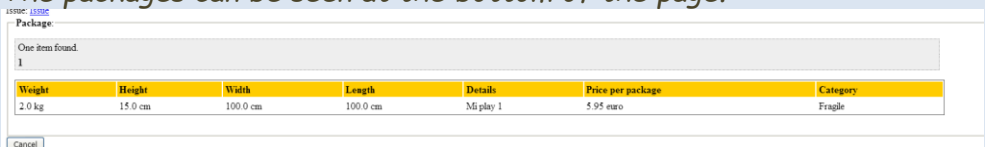

Access

As a carrier > My Offers

Tests

Test 001	
Description	A carrier can list the packages of the requests of any of his offers.
Expected	As carrier1 go to "My offers", click "Requests" link of the first offer and once inside the list of the request of that offer click the first offer. The carrier should see this list of packages at the bottom of the page: 
Outcome	El Sistema se comporta como se describe
Notes	

Test 002	
Description	A customer can list the package of his requests.
Expected	As customer1 go to "Requests" and click the ticker of the first request. The packages can be seen at the bottom of the page. 
Outcome	El Sistema se comporta como se describe
Notes	

Test 003	
Description	A customer can list the package of his requests.
Expected	As customer1 go to "Requests" and click the ticker of the first request. The packages can be seen at the bottom of the page. 

Outcome	<i>El Sistema se comporta como se describe</i>
Notes	

Use case UC17 Manage of Packages

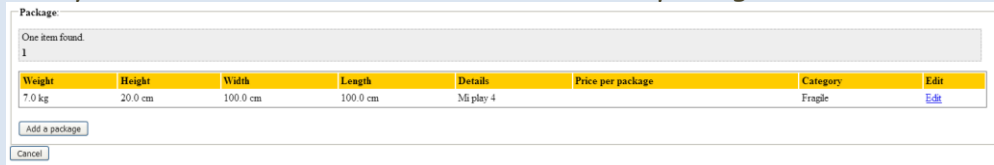

Description

Customers can manage their packages.

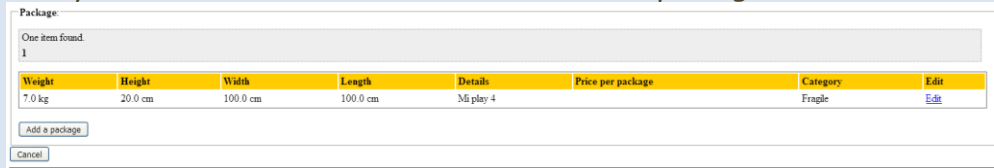

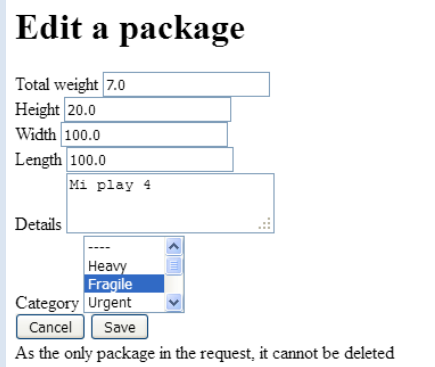

Access

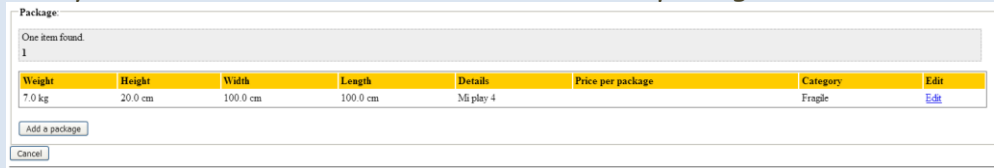

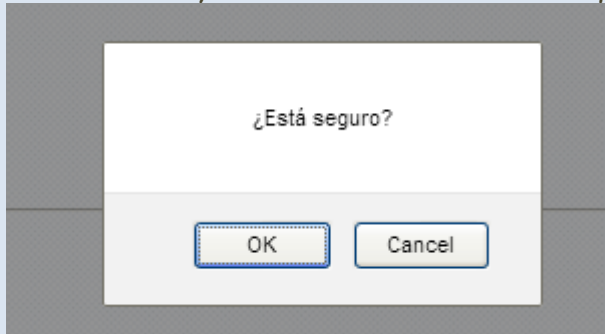

As a customer > Requests

Tests

Test 001	
Description	<i>A customer can add packages to his requests while they aren't in final mode.</i>
Expected	<p><i>As customer4 go to "Requests" and click the ticker of the first one. Now you will see a button at the bottom to add packages.</i></p>  <p><i>Click the button and the system will redirect you to a form to add a new package t this offer. These are the expected errors:</i></p> <div data-bbox="384 1234 820 1570"> <p>Create a package</p> <p>Total weight <input type="text" value="0.0"/> Too small (min = 0.1)</p> <p>Height <input type="text" value="0.0"/> Too small (min = 1)</p> <p>Width <input type="text" value="0.0"/> Too small (min = 1)</p> <p>Length <input type="text" value="0.0"/> Too small (min = 1)</p> <p>Details <input type="text"/> Must not be blank</p> <p>Category <input type="text" value="Heavy"/> Must not be empty</p> <p><input type="button" value="Save"/> <input type="button" value="Cancel"/></p> </div> <p><i>Once saved properly the system will redirect to the previous page where we can see the new package.</i></p> 
Outcome	<i>El Sistema se comporta como se describe</i>
Notes	

Test 002

Description	<i>A customer can edit a package of a requests that's not in final mode.</i>
Expected	<p><i>As customer4 go to "Requests" and click the ticker of the first one. Now you will see a button at the bottom to add packages.</i></p>  <p><i>Click the "Edit" link of the package and you will see this:</i></p>  <p><i>The package cannot be deleted but can be modified. Once modified properly the system will redirect to the previous display page.</i></p>
Outcome	<i>El Sistema se comporta como se describe</i>
Notes	

Test 003	
Description	<i>A customer can delete a package of a requests that's not in final mode.</i>
Expected	<p><i>As customer4 go to "Requests" and click the ticker of the first one. Now you will see a button at the bottom to add packages.</i></p>  <p><i>In order to edit a package, we need to add a new one. Once added, go to the edit form of the new package and click the delete button. It should ask for confirmation. If the operation is success, the system will redirect to the display of the request.</i></p> 

Outcome	<i>El Sistema elimina el paquete.</i>
Notes	

Use case UC18 List of Evaluations

Description

Carriers and customers can list his evaluations.

The evaluations of any offer can be listed by authenticated users.

Access

As an authenticated user Offers > Click the first offer

Tests

Test 001											
Description	An authenticated user can list the evaluations of a certain offer.										
Expected	<p>Inside the display of the first offer in "Offers", click the "Evaluations" button.</p> <div><p>Evaluation list</p><div><p>One item found.</p><p>1</p><table><thead><tr><th>Comment</th><th>Mark</th><th>Moment</th><th>Offer</th><th>Customer</th></tr></thead><tbody><tr><td>Bad</td><td>4</td><td>2019-05-24 00:00:00.0</td><td>Offer</td><td>Customer</td></tr></tbody></table></div></div> <p>All the links should work.</p>	Comment	Mark	Moment	Offer	Customer	Bad	4	2019-05-24 00:00:00.0	Offer	Customer
Comment	Mark	Moment	Offer	Customer							
Bad	4	2019-05-24 00:00:00.0	Offer	Customer							
Outcome	El Sistema se comporta como se describe										
Notes											

Test 002											
Description	An authenticated carrier can see his received evaluations.										
Expected	<p>By clicking the "Evaluations" button in the navigation bar, the carrier should see:</p> <div><p>Evaluation list</p><div><p>One item found.</p><p>1</p><table><tr><th>Comment</th><th>Mark</th><th>Moment</th><th>Offer</th><th>Customer</th></tr><tr><td>Bad</td><td>4</td><td>2019-05-24 00:00:00.0</td><td>Offer</td><td>Customer</td></tr></table></div></div> <p>All the links should work.</p>	Comment	Mark	Moment	Offer	Customer	Bad	4	2019-05-24 00:00:00.0	Offer	Customer
Comment	Mark	Moment	Offer	Customer							
Bad	4	2019-05-24 00:00:00.0	Offer	Customer							
Outcome	El Sistema se comporta como se describe										
Notes											

Test 003	
Description	<i>An authenticated customer can see the evaluations he or she has done.</i>
Expected	<i>By clicking the "Evaluations" button in the navigation bar, the customer should see:</i>

Use case UC19 Manage Evaluations

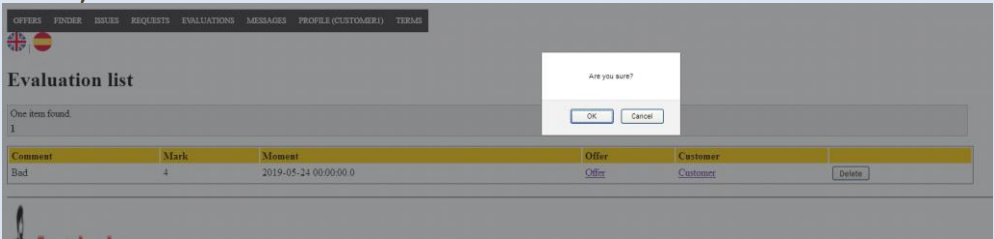

Description

Customers can manage evaluations.

Access

As an authenticated customer > Evaluations

Tests

Test 001	
Description	<i>Inside "Evaluations", the customer can delete the evaluations he or she has made.</i>
Expected	<p><i>A "Delete button should" appear for each evaluation in the list.</i></p> <p><i>The system should ask for confirmation.</i></p>  <p><i>The system will redirect to the same list.</i></p>
Outcome	<i>El sistema elimina la evaluación</i>
Notes	
Test 002	
Description	<i>Customers can create evaluations. For this, the customer needs to access the display of the corresponding offer. As customer2 go to the display of the first offer shown in "Offers".</i>
Expected	<i>If the customer has an accepted request for the offer he or she is displaying, then a "New evaluation" link will appear.</i>

	<h2>Display offer</h2> <div> Offer Ticker: 190523-ASD123 Max. date to request: 2019-10-07 00:00:00.0 Canceled: false Fares Evaluations Vehicle New evaluation </div> <p>Once clicked the system will show a creation form. These are the expected errors:</p> <div> <div> <h3>Create evaluation</h3> <div> Comment <input type="text"/> Mark <input type="text"/> Cannot be null <input type="button" value="Save"/> <input type="button" value="Back"/> </div> </div> <div> <h3>Create evaluation</h3> <div> Comment <input type="text"/> Mark 12 Out of range (0-10) <input type="button" value="Save"/> <input type="button" value="Back"/> </div> </div> </div> <p>Once saved, the system will redirect to the display of the offer. The new evaluation can be seen inside the list of evaluations in the display of the offer. The score of the offer must've been recomputed, but only the carrier owner can see it. The carrier of the offer must have a message saying that he has a new evaluation.</p>
Outcome	El rango de la puntuación es de 0-7, en lugar de 0-10. Por lo demás, se comporta como se espera.

Outcome

El sistema muestra las excepciones al querer editar el perfil

Notes

Test 002

Description

You must make some legal changes on the fields, for example, change the name to "nameTest", the email to test@test.com and submit the form.

Expected

The system gives us back to the display and the changes were made.

Outcome

El sistema guarda los datos correctamente

Notes

Test 003

Description

Click in the cancel button.

Expected

The system gives us back to the display without changes.

Outcome

El sistema realiza la acción correctamente

Notes

Test 004	
Description	<i>Click in the export data button.</i>
Expected	<i>A Json with the data of the actor:</i> <pre>{ "name": "holalassaa", "surname": "Gafotos", "middleName": "", "photo": "http://i.bp.blogspot.com/-reFllUE1st/XGfUp4FXvII/AAAAAAAAA0x/tnlImjVKOnspwE2da?js=1&m=1&img=QQK4B9AYOw/s1600/08.png", "email": "manolita811111gafotos.com", "phoneNumber": "+094666234165", "address": "2vd Cosa W° Casa Bld Piso 26°A", "creditCard": { "make": "VISA", "holderName": "José Mel Pérez", "expirationMonth": 1, "expirationYear": 30, "cvv": 102, "number": "4495840606545807" }, "messageBoxes": [{ "name": "In_box", "messages": [] }, { "name": "Out_box", "messages": [] }, { "name": "Spam_box", "messages": [] }, { "name": "Trash_box", "messages": [] }, { "name": "Notification_box", "messages": [] }], "socialProfiles": [{ "nick": "Miguel", "socialNetwork": "Facebook", "profileLink": "https://www.facebook.com/" }] }</pre>
Outcome	<i>Muestra los datos esperados</i>
Notes	

Test 005	
Description	<i>Click in the delete button</i>
Expected	<i>A confirmation if we are sure to delete and then the system gives us back to the welcome page, our user account was deleted from the system.</i>
Outcome	<i>Muestra las acciones que se esperan</i>
Notes	

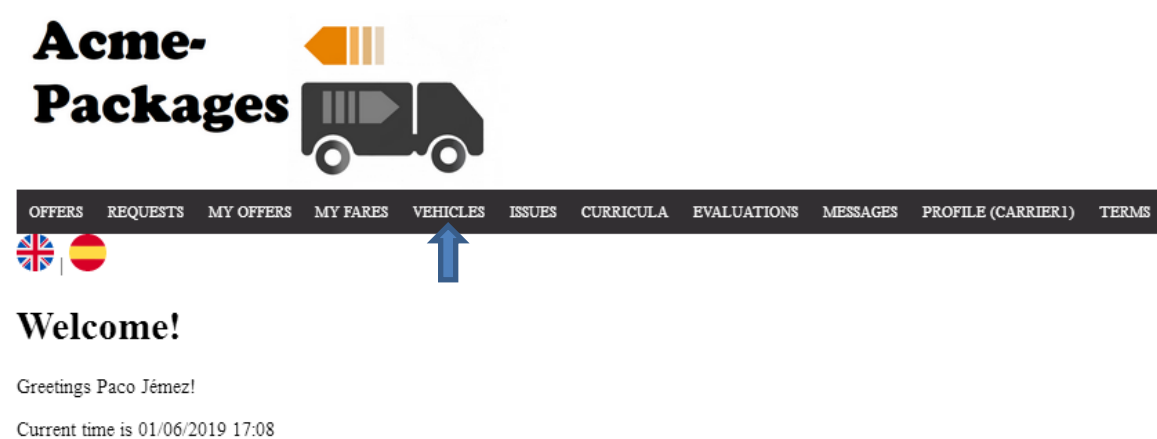

Use case UC51 List of vehicles

Description

Carrier of the system can list their vehicles.

Access

By clicking in the field "Vehicles" in the navigation bar when you're a logged as a carrier

Tests

Test 001	
Description	<i>A logged carrier tries to list his vehicles</i>
Expected	<i>The system shows the carrier vehicles</i>

Vehicle list

2 items found, displaying all items.

1

Plate	Type	Maximum volume	Maximum weight
4561ASD	CAR	4000000.0	4000.0
4561AFG	CAR	3500000.0	2500.0

[Create](#)

Outcome

Muestra los datos correctamente

Notes

Test 002	
Description	<i>A non-carrier or a nonnon-logged actor tries to access to the list of vehicles by URL</i>
Expected	<i>The system shouldn't show the list of vehicles or the system must return to the login page respectively.</i>
Outcome	<i>El sistema no permite el acceso a la pagina tal y como se espera</i>
Notes	

Use case UC52 Display of vehicles

Description

Every auditor of the system can display his/her vehicles. Carriers can display the vehicles of their solicitations.

Access

By clicking in the plate of a vehicle inside the listing page.

Tests
